Join the "Rotary 113 Challenge"

It is similar to the idea of "paying it forward" and the "ice bucket challenge"
all rolled in to one BIG, BIG Rotary project!

Rotary turns 113 on February 23rd

Lets make a difference together in the name of Rotary!

Every Rotarian is officially challenged to do something to promote Rotary!

*We hope you will join us individually or as a club
to think of a way to celebrate & honor Rotary 113 times!*
